

Please ACT to stop hidden and untruthful telephone fees. As only one example, AT&T lists an "FCC" fee but under questioning reluctantly admits that is not such. The FCC should immediately grant the NASUCA petition to investigate carrier practices related to line item charges on bills for wireline and wireless phone service; to declare certain practices in violation of the Commission's "Truth in Billing" Order and to prohibit carriers from imposing separate monthly fees, line items or surcharges unless expressly mandated by law or the charge is expressly authorized by a governmental authority.
